U7-U10 Boys and Girls

The NEFC-North Youth Academy is a soccer skills development program open to all boys and girls in the U7-U10 age groups. We train multiple times weekly throughout the year, outdoors and indoors. We also offer competitive opportunities for members, including leagues and tournaments. Players can join for the full-year, or for one of our three sessions (Fall, Winter, Spring). Our NEFC North Academy will train locally at the following facilities - Forekicks11 in Marlboro, Hudson and Berlin. NEFC's Top level coaches will be working with the players year round.

New England Football Club is the largest Premier Soccer Club in Massachusetts, home to over 900 youth players in our North, Metro west, South Shore, and South Coast locations.

NEFC is also home to New England's most prestigious coaching staff.

NEFC Academy members (U7-U10 players) will be encouraged to master the most fundamental soccer skills, including striking the ball cleanly and accurately, first touch, comfort and strength on the ball, and 1v1 creativity. NEFC instructors demand that players perform techniques correctly and consistently, but the training environment is still fun and positive, and players are encouraged to take risks and compete.

NEFC - North '09-'10 Youth Academy
