Academy Testimonials

First Touch Is Everything!

"My daughter has been going to the FC Puma winter/summer camps for four years now and she loves every minute of them! The coaching is the best we've encountered over the years and no one else compares. Christian and his staff work really hard getting the kids to work on technical skills while still having a great time! By the end of the session the kids understand "first touch is everything" and you can see the improvement in every player." K. Stassi, Southboro, MA

"...young athletes develop to become complete soccer players. Christian not only teaches players the essential basics such as foot skills, speed, and shot accuracy, but he also incorporates important intangibles such as confidence, physical fitness, and composure on and off the playing field." J. Hacunda, Hopkinton, MA

"It is obvious that Christian loves to teach the Kids. He has a way of challenging, motivating, inspiring and basically pushing a player to his limit all while making it enjoyable..." K. Sanchez, Franklin, MA

"... each training session is tailored to the specific player. I think Christian has an uncanny ability to assess children's skills accurately, and can focus on any strengths/weaknesses. Anyone working with your child should (ideally) be someone he or she can look up to. I feel Christian's background, work ethic, and life experiences are really top-notch, and what he has been able to accomplish is admirable... something that any youth player should strive for." D. Madamba, Northborough, MA
